

**LANCER**

**EXHAUST PIPE FINISHER**

**MZ570208EX (FOR STANDARD BUMPER)**

**INSTALLATION AND HANDLING INSTRUCTIONS**

Thank you for purchasing the Mitsubishi Genuine Accessory.  
To install and use the product correctly with proper knowledge of it, read this publication carefully.  
Keep this publication for reference when maintenance is required.

**Attention**

- This publication gives precautionary instructions in the boxes titled as follows.  
Read through these instructions thoroughly.

**Caution**

Describes precautions that should be observed in order to prevent injury or damage to the vehicle or its components, which may occur if sufficient care is not taken.

**Note**

Provides additional information that facilitates installation work.

- Failure to follow these instructions not only prevents the product from working properly but may lead to trouble with the vehicle. Be sure to follow all instructions carefully.
- If there is anything unclear about the installation, handling and/or usage of the product, contact your Mitsubishi Motors dealer for clarification.
- Mitsubishi Motors Corporation is not responsible for any defects or difficulties caused by or resulting from the failure to follow given instructions.
- We recommend you to have the installation performed at an authorized Mitsubishi Motors dealer.

To the dealer:  
Be sure that the customer receives this publication.

<b>CARE AND HANDLING</b>			
<p>(1) Before driving, check the bolt and nut holding the exhaust pipe finisher for looseness, and retighten if necessary.</p> <p>(2) If the exhaust pipe or the exhaust pipe finisher is found damaged or deformed, replace it immediately. It could fall away to cause an accident.</p> <p>(3) The product is made of stainless steel. Periodically perform a car wash to keep it shiny.</p> <p>(4) If the product is found dirty, wipe it clean lightly using a mild detergent-moistened piece of soft cloth. DO NOT use paint thinner, benzine, gasoline or any other organic solvent, otherwise the surface of the product could be damaged.</p>
